

THE 2nd ANNUAL MIGHTY SEAGULL CHALLENGE

Yes it's back by popular demand the race that everyone was talking about.

So dust off your Seagull motor find a boat and bring a friend.

It's all going to happen on the 22/23/24 November 2013.

Race day is the Saturday 23rd November

At the Breede river out of the boat house located on the remainder portion of the Farm Potteerberg Estates No 516. Across the river from That hotel

The exact course has yet to be disclosed as it's very secret.

Accommodation is simple, sleeping in the shed with everyone else or a tent.

There are toilets, not sure about hot water though.

To be part of the race you will need: A Seagull motor that works, a boat to connect it to, and a partner in the boat. All entrants must have at least one other member in the boat during the race. You will need to bring everything with, as shops are hard to come by.
